Taraka United Church

Morobe Circuit

Volume 1, Issue 01

Jan– Mar 2019

Taraka Trumpet

Bishop Rev. Veburi Dabada's Pastoral Visit.

2nd - 10th May 2019

Monday: 6th May 2019

This day is set for Taraka & Unitech congregations to dine with the Bishop Rev. Veburi Dabada. Both congregations will gather at Taraka UC Mission Station for this occasion. TUC Events Committee and selected reps from UUC to arrange for this evening.

PO Box 112, Unitech, Lae Morobe Province.

Minister's Say: Rev. Rau Vetali

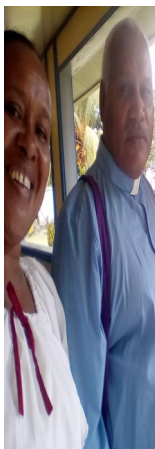

Welcome,

to all readers and viewers of Taraka Trumpet. Especially, to all leaders and members of Taraka United Church. The idea of a congregation newsletter is an old concept. At this juncture the leadership of the Church has decided to revive Taraka Trumpet. For the purposes of disseminating information from all levels of our Church.

Since we are already into the second quarter of 2019, this edition will highlight some events from the first quarter and update the Church on the up-coming events. After this edition we may go on a monthly trial arrangement.

Sina Hanua Vetali was tasked by the Executive meeting to take care of this project. She will need the support of every leader and member in this congregation for the upkeep of this task. There will be limited copies produced therefore leaders and members are kindly asked to value every copy at hand and take good care of them.

As we commonly say, "nothing comes free these days." As the Minister of Taraka congregation and Chaplain of Unitech; future editions should cover programs and events in both congregations as well. I am certain Taraka Trumpet will be very helpful to all our leaders and members by way of sharing information. So from me I am excited and eagerly await the outcome of this first edition. With much prayer, may God grace you all with His presence.

Sina Hanua & Rev. Rau Vetali
Taken @ Puakap United Church.

14/4/2019

Editor's Say: Sina Hanua Vetali

I wish to register my personal words of appreciation and gratitude for entrusting this very important task upon me. We all know the importance of communication and information. And Taraka Trumpet is purposely for that. With very limited resources to facilitate this project, we can only hope in the King of kings and the Lord of lords to help us out of His glorious wealth in the heavenly places. Taraka Trumpet is not new to Taraka congregation, therefore; it's not a big deal as some may say,

However, from experience we all know that it is easy to start or revive something, and it is another thing to keep it going. The only way to keep it going is simply by taking ownership of this entire project. Every leader and member need to own and treasure it. Bearing in mind that every copy costs some amounts of money. There is hope for getting better in the process, so with such sure hope let us embrace this gift of ink and paper. Dirava na Namoi!

DEACONS' CORNER

There are only two serving deacons at Taraka United Church. Urban Region Synod held at North Port Moresby Circuit in 2018 endorsed their names for retirement. However, Taraka congregation has yet to elect their replacements. Most likely it may take a while before both are replaced. Therefore through our recent Executive meeting, a letter requesting for their continuing services was submitted to Morobe Circuit Superintendant Minister Rev. Piri Rahe and Chairman Mr. Michael Gaoma. Congregation general meeting on Sunday 28/04/2019 will further discuss the issue.

One of the remaining Elder Apuave Hulamari still avails himself toward assisting both deacons. Pray with us as we seek for possible replacement for both of them.

Deaconess Martha Mwawesi, feet washing - Easter 2019.

Mr. Silas Kopana: sharing in the opening devotion of Passion Week, 2019

Special points of interest:

- Evangelism Ministry has yet to appoint its convener. and full committee. Is in place.
- Events Committee: Treasurer will convene while members will be needed. New committee in place.
- Currently our serving deacons have been endorsed for retirement by UR Synod 2018. However, their services will continue until replacements are made.
